WATER PLAN COSTS

Outlines Views on Figuring Expense to the Maryland Communities.

MEASURE MAY BE MODIFIED

Bill Providing for Extension May Be More Specific In Its Terms.

The bill now before the District Commissioners authorizing extension of District water to nearby Maryland unities, as urged by The Times, will in all probability be made more specific in terms when the Commis slopers forward it to Congress with their report.

Colonel Kutz, the Engineer Commissioner, today explained his views as to the method whereby the cost to the Maryland communities to be served should be arrived at.

Colonel Kutz believes that the Washington Suburban Sanitary Com-mission, the Maryland body which will have charge of the distribution of the water in Maryland, should pay the "cost of the delivery of the water at the several points contemplated along the District line."

Explains Cost Basis. cost, the Commissioner explained, should be based not upon the cost of additional construction neces sary to carry the water, but upon Maryland's proportional share of the upkeep and depreciation charges of the District's present system. The sessed to Maryland should be in the same ratio to the cost of upkeep of the entire system, as the amount of used by Maryland is to the total volume of water through the District system. water passing

On that basis, the cost to Maryland will be much less than if Maryland were assessed the direct cost of buildadditional mains or enlarging supply, which is very small compar to the entire volume of water pass ing through the District system Larger Mains Necessary.

In support of his view, Colonei Kutz pointed out that the building of larger mains would be ultimately necessary to supply outlying sections the extension to Maryland were made and that it would be unfair to put the cost of the additional construction is necessitated earlier than it

Colonel Kutz believes the bill authorizing the extension should set forth the method of assessing costs against Marvland.

Says Cost Would Vary.

The Commissioner further pointed out that the cost to Maryland at different points along the District line will vary according to the elevation of the place at which delivery is to be made. This difference is occasioned by the fact that in the Kenilworth section a delivery at what is known as the "gravity level" will be made, and that therefore no pumping charges will be made at this point by the District.

The Rhode Island avenue section, "second high level," and a certain amount of pumping is necessary to deliver the water at that level.

In "Third High Level."

Takoma Park and Chevy Chase are in the area which is known as the "third high level," and more pumping is necessary to deliver the water at those points.

Colonel Kutz explained that the

pumping costs of the water used by them will be included in the amount charged the Maryland communities. The pending bill merely provides that the "rates and conditions of pay-ment" are to be agreed upon by the District Commissioners and the members of the Washington Suburban Sanitary Commission.

CHARITIES RE-ELECT HEAD

Col. Archibald Hopkins Again Is Chairman of Board. Archibald Hopkins has been re-elected chairman of the board of

managers of the Associated Charities, This action was taken at a meeting of the board held yesterday afternoon at Social Service House, 923 H street. Announcement was made that the money asked in the Christmas Opportunifies appeal, \$5,794, had been fully subscribed. The public and news-

papers were thanked for their co The report of the general secretary showed 708 families under care for December, 414 of whom required cash relief. The amount of this aid was \$2,049.96; and of this \$759.37 was extended through the Citizens' Relief Association and the rest through the special relief fund of the Associated

Discussion of a proposal to change the title of the National Conference of Charity and Correction, to the Na-tional Conference of Social Workers resulted in postponement of any rec-ommendation on the subject until further consideratio has been given

the question by members.

Present at the board meeting were William H. Baldwin, Ernest P. Bick-nell, Judge William H. Delacey, John Joy Edson, Charles C. Glover, jr., Miss Mary Gwynn, Dr. Loren Johnson, Dr. George M. Kober, Miss Marian A. Lcuize, Newbold Noyes, Mrs. Charles W. Richardson, Mrs. Laurence Todd, and George S. Wilson.

GET SAFETY FIRST BLOTTERS The eighth set of "safety first" blotters to warn children of the danger, of street accidents was distributed among the pupils of the public cehools of the District yesterday by representatives of the Washington Enliway and Electric Company and

the Capital Traction Company. Buch set of the series of twelve blotters bears a different picture of accidents and near accidents, with warning to children to be careful in crossing to the control of t

SEEK TO RECOVER \$25,000.

E. Milton Greene, of San Diego, Cal., has instituted proceedings in the District Supreme Court to recover \$25,000 from the American Security and Trust Company. Greene alleges that according to an agreement with his sister the money was deposited with the trust company and was to become his in the event he survived his aister and hers in the event that she survived. The plaintiff declares that his sister did not leave a bill, but executed a trust agreement by which

she letf the money in the trust company to others than himself. Attorneys Lucas P. Loving and Sanford L. Hammer represent Greene.

DARKEN GRAY HAIR,

Sage Tea and Sulphur

Darkens So Naturally That Nobody can tell.

Hair that loses its color and justre, or when it fades, turns gray, dull'and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyetl's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease,—Advt.

COMMISSION URGES WATER SYSTEM

Washington Sanitary Commission Expected to Report Favorably This Week.

TO BENEFIT MARYLANDERS

D. C. Officials Now Have Bill Before Them Also Providing For Sewer Plan.

Highly encouraged by the indorse ent given the project by Engineer Commissioner Kutz, the members of the Washington Suburban Sanitary Commission are planning to push sur vers in Maryland looking toward distribution plan for the Distric water after it has been delivered to the District line under the plan urged by The Times.

A favorable report to Congress of the bill submitted to the District Commissioners by the Washington Suburban Sanitary Commission is expected to be made this week, and the Maryland delegation will lose no time

Contents of Bill.

The bill now before the District Commissioners authorizes the Com nissioners "upon the request of the Washington Suburban Sanitary Comnission to deliver water from the District of Columbia system to the said Washington Suburban Sanitary Commission, or its successor, for distribution to territory in Maryland within the Washington suburban sanitary district; and to make connections of water mains in Maryland with the mains of the District of Columbia sys tem at such points on the District of Columbia boundary as the Commis-sioners of the District may designate and without expense to the District of

The pending bill further provides that the water shall be delivered to the Sanitary Commission "upon a metered service at all connections be Columbia and that of the said com nission, and shall be paid for at such rates and upon such conditions of pay ment as the Commissioners of the Dis trict and the said Sanitary Commis sion may agree upon, such payments to be made through the Collector of Taxes of the District of Columbia as other water rents now collected in the District of Columbia.

Limits On Water.

It is further provided that "at n ime shall the amount of water taken by the Washington Suburban Sanitary Commission or its succesor exceed such amounts as the Commissioners of the District shall, from time to time. determine upon as the quantity that

may be spared from the District of Columbia system." When the bill is sent to Congress

gest certain changes or additions are to the apportionment of costs of nec-essary construction of new mains. Robert B. Morse, the chief engineers of the Maryland State board of health. who participated in the conference yesterday between the Engineer Commissioner and the members of the Washington Surburban Sanitary Com-mision, believes that the commision, will be made permanent by the next session of the Maryland legislature, and that it together with the Mary-land State board of health will have charge of the distribution of the

Engineer Morse is also engineer of

DANIELS APPOINTED

Nomination Confirmed in Spite of Hot Opposition.

Despite a scathing arraignment by Senator Cummins and criticisms by arious Progressive Senators, the omination of Winthrop M. Daniel as interstate commerce commissione evening by the Senate, 42 to 15.

Progressive Republicans and some others lined up against Daniels. Senator Cummins address, which lasted for three hours; was made public. He told the Senate that its men holding Daniels' views were to go on the commission, then Govern-ment regulation would break down, railroad rates would be shoved highen part he preferred Government owner-

Senator Cummins' argument was devoted largely to the opinions on valuation in the New Jersey Gas Company case and to the advance rate

He declared that if the principles applied by Daniels in the New Jersey Gas Company case were applied to the railroads they would be valued for rate-making purposes over \$6,000; 000,000, far beyond their capitaliza-

THIEF MADE MISTAKE

Got Two Shoes, But From Different Pairs.

The police are looking for a thick with odd shoes. Hannah Bismon, 1146; Seventh street northwest, reported to the Second precinct last night that the Second precinct last night that two odd shoes, one light tan, size 8 1/2, and the other dark tan, size 8, were stolen yesterday.

Someone stole a prayer book yes-terday and \$6 from the pastorate of the Rev. Oscar Mitchell, of St. Mary's Chapel, Twenty-third street, between G and H streets northwest. Dr. Mitchell told the police of the Third precinct the book had the name of the hapel in gold letters on a red cover.

TUDOR WILL FILED.

Herndon T. Morsell is left a bequest of \$1,000 by the will of his uncle, William V. Tudor, dated October 9, 1901, and modified by a codi cil of February 16, 1906. was filed for probate in the District Supreme Court yesterday, and directs that the residue of the estate go to the testator's wife, Minnesota Tudor torneys Millan and Smith appear for

To most people all Elastic Goods look alike, but there is a vast difference in the quality.

In our Silk Elastic Hosiery only the very best quality silk is used, a long fibred silk of brilliant lustre and wonderful strength. The linen that we use is the best imported linen thread. In the inferior grades, loosely twisted silk or linen is used,

which looks as well, but does not give the service. The Elastic Hosiery carried by our stores is knitted on a hand frame which gives a smooth, uniform texture, entirely

lacking in machine made goods. The attendants in charge of our Rubber Goods Departments are glad to lend their experience and give advice in the selection and fitting.
